

SKE Society's GOVINDRAM SEKSARIA SCIENCE COLLEGE, BELAGAVI

Entrepreneurship in Artificial Intelligence (AI) and its evolution.

On Friday, July 26th, 2024, IIC, GSS College, Belagavi, hosted a special lecture on Entrepreneurship in Artificial Intelligence (AI) and its evolution in association with IQAC. Students from the first semester of BCA and BSC programs. The keynote speaker was Mr. Aditya Kulkarni, Senior Director of Digital Analytics and Data Science at Dell Technologies. Shri S.Y. Prabhu, Vice-chairman SKE Society was the president of the function.

Prof. B.L. Majukar, the principal, extended a warm welcome to all attendees and honoured the guest of honour and president of the function.

Mr. Kulkarni's insightful presentation delved into the fascinating history of AI, tracing its evolution from early theoretical concepts to its current-day applications across various industries. He emphasized the immense potential of AI in revolutionizing our lives, from healthcare and finance to transportation and education. The speaker's expertise in the field provided the audience with a clear understanding of AI's capabilities and limitations. Further there was a student interaction session where students asked questions and got satisfactory answers from the speaker.

Following Mr. Kulkarni's lecture, Shri. S. Y Prabhu, Vice-President of SKE Society, delivered the presidential address. He highlighted the significance of AI in the contemporary world and encouraged students to explore and embrace this emerging technology.

Prof. B.M. Topinkatti, IQAC Coordinator, concluded the event with a heartfelt vote of thanks, expressing gratitude to the speaker, the college administration, and the students for their participation.

The special lecture on AI proved to be a valuable learning experience for the students. It provided them with a solid foundation in the field and inspired them to delve deeper into the subject. By understanding the potential of AI, students can better equip themselves for the future and contribute to entrepreneurship in AI field.
