Highlights of the programme:	
The SKE Society’s Govindram Seksaria Science College (Autonomous), Belagavi, organized an outreach lecture series to create awareness among PU students about the importance and scope of pursuing a Bachelor of Science (B.Sc.) degree. The programme focused on subject-wise opportunities, higher education pathways, prospects in competitive examinations, and career options in emerging scientific fields. Dr. Basavaraj Goundadkar (ID No.), Department of Zoology, actively participated in the programme, contributing to academic discussions and student guidance. The interactive session enabled students to clarify their doubts regarding subject combinations and future career planning, thereby enhancing their understanding of the academic structure and professional scope of B.Sc. programmes and motivating them to pursue higher studies in science.
