Report on Celebration of World Ozone Day

Title: Celebration of World Ozone Day

Date(s) of event: 16th September, 2025, **Time:** 3.30pm

No of Participants: 10 teams

Resource Person Name: None

Type of Programme (Event / Seminar / Workshop / Sports) : Event

Chief Guest / Guest of Honour (if any): None

Highlights of the Programme:

To mark the observance of **World Ozone Day**, the **UG Departments of Botany and Zoology** jointly organized a **Documentary Competition** on **16th September 2025**. The event aimed to create awareness among students about the importance of the ozone layer, environmental conservation, and the global efforts to protect the Earth's atmosphere.

The competition witnessed enthusiastic participation from students, with a total of **10 teams** taking part. Each team presented documentaries that highlighted critical environmental issues, ozone depletion, climate change, and sustainable solutions. The participants demonstrated remarkable creativity, research skills, technical proficiency, and environmental awareness through their documentary presentations.

The competition was evaluated by an esteemed panel of judges comprising **Dr. Y. B. Dalvi**, Head, Department of Botany, and **Dr. B. B. Goundadkar**, Head, Department of Zoology. The judges assessed the documentaries based on content relevance, originality, technical quality, clarity of message, and overall presentation. After careful evaluation, the **First, Second, and Third prizes** were awarded to the most outstanding teams in recognition of their excellence and effort.
