**Report on extension activity/outreach activity 'Clean Sacred Groove' at Siddeshwar,
Kanbargi**

Details of the programme

Title: Extension activity/outreach activity 'Clean Sacred Groove' at Siddeshwar, Kanbargi

Date of event: 06-10-2025

No. of Participants: 62

Highlights of the Programme:

On 06th October 2025, the students of Govindram Seksaria Science Autonomous College, Belagavi, from the Departments of Zoology and Botany, participated in a clean sacred grove drive at Siddeshwar, Kanbargi. A group of 62 students from BSc I, II, and III year, accompanied by the, 3 staff members Dr. Y. B. Dalvi, Dr. Santosh Jayagoudar and Dr. B. B. Goundadkar, took part in the activity.

The students departed from the college at 11:30 AM and reached Siddeshwar sacred grove, Kanbargi by 12:15 PM. Upon arrival, students were enlightened about sacred grooves and their importance in the environment. They then enthusiastically engaged in a cleaning drive, demonstrating their commitment to environmental conservation. They diligently cleared the area, collecting and properly disposing of waste glass bottles, plastic, etc., separately, thus contributing to the preservation of the site's natural beauty.

The extension activity concluded with a collective sense of accomplishment and commitment to environmental responsibility. The extension activity at Siddeshwar sacred grove served as a valuable learning experience, fostering teamwork, social responsibility, and environmental stewardship among the students of BSc I, II, and III year.

This activity reflects the college's dedication to promoting community outreach service and environmental awareness.
