DEPARTMENT OF BIOCHEMISTRY

**ONE-DAY VISIT TO RESEARCH LABORATORIES, DEPARTMENT OF
BIOCHEMISTRY, KARNATAK UNIVERSITY, DHARWAD ON 7th FEBRUARY,
2025**

This report is a summary of One-Day Visit to Glycobiology Research Lab, Protein Biology Research Lab, Neurochemistry Research Lab and Biodegradation and Bioremediation Research Lab, Department of Biochemistry, Karnatak University, Dharwad that was arranged by the Department of Biochemistry, GSS College (Autonomous), Belagavi. The visit took place on 7th February, 2025. The purpose of the visit was to provide insights into the research activities and research facilities of Biochemistry Department, Karnatak University Dharwad, aligning with their academic curriculum. The tour team was headed by Dr. Varsha Jayakar, Coordinator and Assistant Professor, and Dr. Vinayak Lokapur, Assistant Professor, Department of Biochemistry and comprised of Eleven students of 2nd year (III Semester), MSc Biochemistry program.

The initial phase of the visit to Research Laboratories of Biochemistry Department, Karnatak University, Dharwad started with the inspiring address by the Chairman, Prof. Devaraju followed by Prof. Kamanavalli, Dr. Vishwanath and Dr. Praveen regarding research activities of the Department.

The second part of the visit started with Research scholars of the Department, Mr. Nagarjuna Dalbanjan, Mr. Arihant Kadapure, Ms. Ashwini Sanji, Mr. Maruti Gurav, Mr. Kiran, Mr. Prasanna, Ms. Anjana, and Mr. Paramannavar, demonstrating their proficiency in the Research Labs and briefly explained the principle of various instruments and lab equipment of Glycobiology Research Lab (Dr. Vishwanath's Lab), Protein Biology Research Lab (Dr. Praveen Kumar's Lab), Neurochemistry Research Lab (Prof. Devaraju's Lab) and Biodegradation and Bioremediation Research Lab (Prof. Kamanavalli's Lab). The session ended with a Group Photo.

This visit organized by the department has allowed the students to know about the work culture of scientific research in the Department of Biochemistry, Karnatak University, Dharwad and see a wide array of sophisticated instruments used in cutting-edge research, providing students with invaluable practical knowledge and motivated students to use the opportunity for their future career.

2nd year MSc Biochemistry students and faculty team at Karnatak University, Dharwad

2nd year MSc Biochemistry Students interacting with Research Scholar, Mr. Nagarjuna (Protein Chemistry Research Lab)

2nd year MSc Biochemistry Students interacting with Research Scholar, Mr. Kiran (Neurochemistry Research Lab)

Ms. Ashwini, Research scholar, explaining about various instruments of Glycobiology Research Lab
