IIC's Self Driven Activity
Visit to Servo Controls India, Udyambag, Belagavi
19th March 2025, 2 PM – 6 PM

GSS college IIC (Institutions innovation council), organized an industry visit for BSc and BCA students to Servo controls India, Udyambag, Belgaum. on 19th March 2025.

Servo controls had their sensors installed in the remarkable Mars Mangalyaan, Chandrayaan-3 and Aditya L1 mission.

The students got an opportunity to witness and learn about their various products like Displacement sensors, Strain sensors, actuators, hydraulic power packs, nano satellite softwares, simulators and the processes involved.

A Total of 40 Students (BSc and BCA) visited the company. Three faculty members from the college, Dr Lata Laxmeshwar from Dept of Physics, Prof Shweta Dalvi and Prof Anand Sheelavantar from BCA department accompanied the students.

GSS College and IIC are thankful to Mr Deepak Dhadoti for providing our students an opportunity to visit their prestigious company. We also thank Mr Rajeev Dixit for coordinating and arranging the visit. We are extremely thankful to the Resource persons Mr Gargatti and Mr Prabhu for their elaborated information about the manufacture of various products and processing and sharing their knowledge with us.
